⇒ You will be getting notes & code file along with the recording of the session.

Instructor

Rahul Janghu

> Instructor @Scaler

> Ex - Lead Python Mentor & Product Engineer @Coding Blocks

> Google Code In Mentor

> Research Scholar @IIT Kanpur

> Worked with various @Startups

RAHUL.JANGHU@SCALER.COM

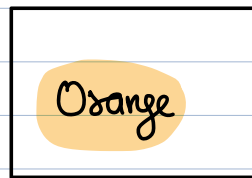

✓

i) Perfect (Jargons (Heavy))

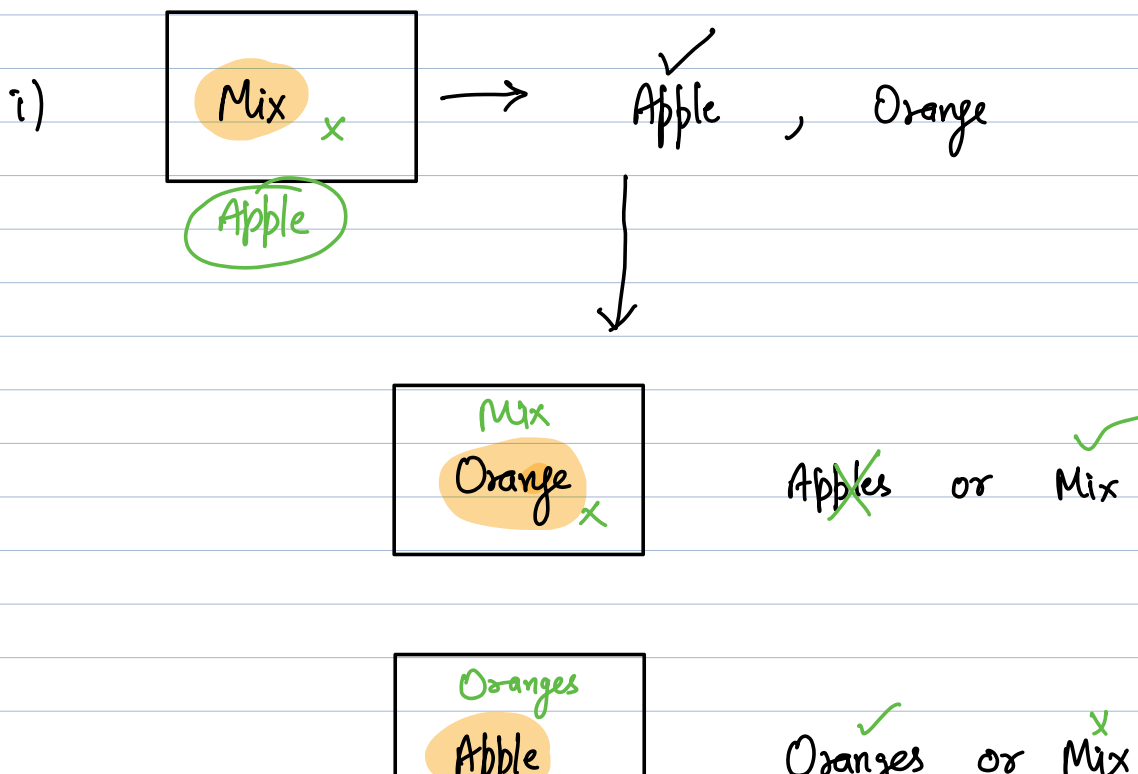

ii) Simple explanat<sup>n</sup>, don't let their learners  
fear from them & promotes learning

## ★ The legendary fruit Seller:

⇒ You (Rahul)

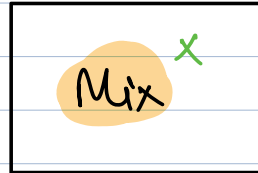

⇒ The labelling of each box is wrong.

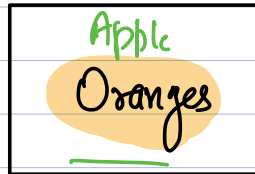

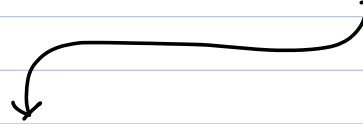

--- 0 ---

ii)

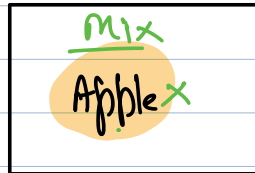

Orange

<sup>x</sup>Apple, <sup>✓</sup>Oranges

<sup>✓</sup>Apple or <sup>x</sup>Mix

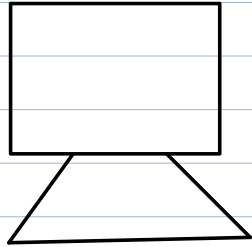

<sup>✓</sup>Mix or <sup>x</sup>Orange

⇒ Slack : Rahul Janghu

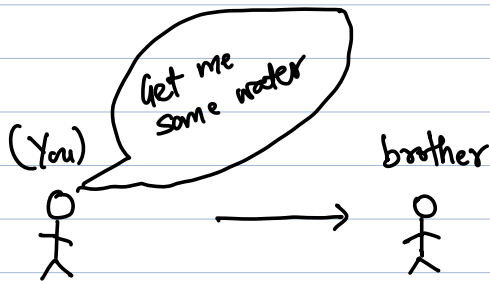

email ID : rahul.janghu@scaler.com

## ★ Communicat<sup>n</sup> with our Computer?

⇒ 0 / 1

⇒ Computers are dumb machines :

- ⇒
- i) Go to kitchen
  - ii) Open the fridge
  - iii) Take a glass
  - iv) fill it
  - v) Come back to you

If brother was dumb.

→ Instruct<sup>n</sup>

★ Language : Hindi / English / Tamil / Marathi / Odia

★ Computer Language : C, C++, Java, Python, R...  
R.I

⇒ Tour:

Hindi / English → Translator → Korea (Korean)

★ In computer there are Interpreter which helps us to communicate with the comp.

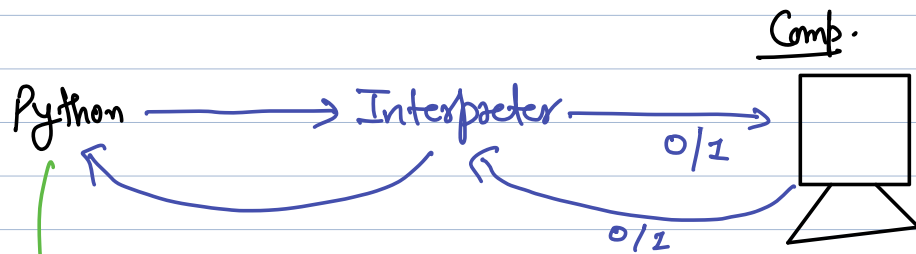

Situation: I mango like eat to ?  
Bcz : Grammatically incorrect  
I like to eat mangoes.  
Sub + verb + obj

★ Grammar → Syntax  
Grammatical error      Syntax error:

2) IDE (Integrated Development Environment)  
↳ This is a tool where you can write your code.

Ex: Pycharm, Jupyter lab, VSCode, Google Colab.

⇒ Syntax of print :

`print( 10 )`

`print ( )`

`Print ( )` ✗ wrong syntax

★ Case sensitive : small letter & capital letter

★ for Today & Today only we won't be having any assignment or HW
